Dear Mr. Morse:

Re: **Southwest Gas Corporation Political Action Committee #C00076737**
Year-End Report (11/25/14 – 12/31/14)

I received a letter dated March 23, 2015 from the Federal Election Commission that our year-end report included five contributions that were made after the election date for which they were designated.

This letter serves as confirmation that we have redesignated three of the contributions (Joe Heck, Kyrsten Sinema and Paul Gosar) to the 2016 primary election. The contribution to Rob Bishop has been redesignated to the 2016 convention election. Attached are copies of the letters that were sent to the treasurers of each committee stating that we have done so. The entries will be redesignated on the 2015 mid-year report which is due on July 31, 2015.

The contribution made to Cresent Hardy for Congress was redesignated to the general election debt retirement and our year-end report was amended to reflect that change on March 26, 2015.

Please let me know if you have any questions or need any additional information.

Sincerely,

Roy R. Centrella
Treasurer, SWG PAC

Dear Mr. McCauley,

The Southwest Gas Political Action Committee provided a donation to you on December 1, 2014, in the amount of \$1,000 that we designated for the 2014 General Election cycle. We recently received a communication from the Federal Election Commission indicating that this designation was in error and we need to re-designate the contribution correctly. The changes will be made in the 2015 Mid-Year Report to the Federal Election Commission report and designate the contribution appropriately as Rob Bishop for Congress for the **2016 Convention Election**.

Thank you for your understanding in this matter. We apologize for any confusion this may have caused.

Very truly yours,

Debra Gallo

Response Due Date
04/27/2015

IDENTIFICATION NUMBER: C00076737

REFERENCE: YEAR-END REPORT (11/25/2014 - 12/31/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule B supporting Line 23 discloses one or more contributions to a candidate(s) for the 2014 general election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. (11 CFR §§110.1(b)(3) and 110.2(b)(3))

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. (11 CFR §110.1(b))

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1133.

Christopher Morse
